

# EASYKART EURO TROPHY

## FAQ (Volume 1)

### Where can I register?

[www.easykart.ch](http://www.easykart.ch)

### Can I race with an old Easykart and the old BMB Cylinder?

Yes you are allowed to race with the old cylinder. Here is the link for the technical regulation.

<http://www.easykart.ch/pilotenzone/92-vorlaeufiges-technisches-reglement-2018.html>

### I race Easykart Italy. Do I have to do any changes to my kart?

You only have to change the weight to 105KG. That is all 😊

### Which license do I need for the race?

We are an official Swiss Race Series. Our race is registered in the official Swiss ASN Race Calendar. We are a club race so you can race with your domestic license. If you have no race license we can issue a day license for the race.

### Minimum age for 60ccm Easykart Driver

The Minimum age is 8 years. If you are younger and would like to race, please contact

- (for Italian Drivers) Sabino de Castro from the BirelArt Karting School
- (for Swiss, Austrian and German) Drivers Easykart Switzerland
- (for Czech Drivers) Joka

### Do I have to buy new tires for the race?

No, you can drive with your own tires. But they have to be Easykart Tires.

### Do I have to wear special safety features?

Yes for 60ccm and 100ccm drivers! Beside the normal race wear, you have to wear in addition to your rip protection following items:

## Neck Protection:

Below are only examples pictures

## Chest Protection

Below are only examples pictures

You will get no start permission if you do not wear these items in addition to your rip protection.

If you have any questions please do not hesitate to contact us ([info@easykart.ch](mailto:info@easykart.ch))

(Translation into Italian)

I piloti della categoria Easykart 60ccm e Easykart 100ccm devono indossare oltre alla loro protezione paracostole anche:
